Install available Forma DJR font packages

1. On your PC, locate myHPITApps application. You can look for the icon on your desktop (a) or use the search bar (b):

2. Open the application and locate the available font packages:

👺 Software Center							- 0	×
myHPITapps								
Applications	All Required					Search		P
C Updates	Filter: All		▼ Sort by:	Most recent 🔹			%≣ ∷≣	⊞
